

Project: Bogey Bucks

Project Summary

The initial objective of the Michael I Kudo foundation is to provide resources to 501(c)(3) nonprofit organizations who have proven approaches to aid beagles.

Project Outline

Bogey Bucks is a project created specifically for the benefit of beagles.

Examples could be:

- Providing training for Beagles and their adoptive Families
- Delivering beagle breed specific education, outreach
- Advocating for beagles
- Helping beagles find their new homes
- Educating the public about animal testing related to Beagles.
- Assisting beagle rescues with specific operational needs

Qualifying Criteria

1. Applicants must be registered 501 (c)(3)
2. The benefit must be targeted exclusively towards beagles
3. Facilities must be PACFA and USDA compliant if applicable
4. Does your organization promote non-aversive training and treatment of animals, including low stress handling techniques?
5. Applicants must complete the Michael I Kudo Foundation Grant Application
6. Organization must be willing to provide results on a periodic basis
